

CECILIA BARTOLI

The Barcelona Concert & Malibran rediscovered

Directed by Michael Sturminger

Cecilia Bartoli celebrates the 200th birthday of **Maria Malibran** with her personal tribute to female superstar Maria Malibran, one of the **most famous opera singers** of the 19th century. Maria Malibran was the first woman to rival the operatic heroes of the 17th and 18th centuries, the castrati. Her extensive, exceptionally varied repertoire also demanded a range of **emotional** and **dramatic expressiveness** to which only an outstanding talent like Cecilia Bartoli's could do justice.

"The Barcelona Concert", performed in the stunning Palau de la Musica Catalana, features the Barcelona concert from the ongoing "Maria" album tour "La Rivoluzione Romantica".

"Malibran rediscovered" features a fascinating 67 minute film "Malibran Rediscovered - The Romantic Revolution" following Cecilia Bartoli as she researches **the life of Maria Malibran** and records the album.
